

Serial No.:10/755,383

REMARKS

The applicants have carefully reviewed the office action mailed on April 13, 2005. In the Office Action, the Examiner rejected claims 1 – 9 and 12 – 19 under 35 U.S.C. §103 as being obvious over Japanese patent JP 07-270642 to Yoshihiro et al. ("Yoshihiro") and U.S. Patent No. 3,628,027 to Brauss. However, neither Yoshihiro nor Brauss disclose a reflecting curved surface as claimed. (See Figures of Yoshihiro and Brauss). Therefore, a prima facie case of obviousness has not been made.

For the foregoing reasons, reconsideration and allowance of the remaining claims is respectfully requested. If the Examiner has any questions about this Amendment and to facilitate prosecution, the Examiner is encouraged to call the undersigned attorney.

Respectfully submitted,

SWIDLER BERLIN SHEREFF FR EDMAN, L.L.P.

Dated: September 13, 2005
